## Taj Mahal Earrings

**Friday Night, October 2nd, 5-9pm**

Intermediate Level  
\$50, supplies not included

Inspired by a love story and gorgeous fineries of fabric and gold...these lightweight earrings sparkle and swing, capturing the grace of the woman who inspired them. As class is held over the dinner hour, we'll have pizza, salad and beverages to share with you!

## Parisian Nights

**Saturday, October 3rd, 10am-4pm**

Intermediate Level  
\$95, supplies not included.

Bridging old and new, this necklace is a timeless design! An antique cushion cut CZ is beveled with Czech glass fire polish beads and seed beads. The bezel transitions to an Art Deco style dagger shape, using right angle weave and netting techniques. Utilizing a combination of traditional materials, a new type of cup chain and a CZ drop, this design begins to step away from one fashion style, entering the next with ease. The dagger shaped pendant is attached to a necklace strap constructed in a right angle weave variation using seed beads, Czech glass beads, Czech and Swarovski pearls. This elegant necklace closes with a beautiful CZ embellished magnetic clasp. A beautiful statement piece for a glamorous occasion, or to sparkle up a jeans & t-shirt day!

## Flower of the Sea

**Sunday, October 4th, 10am – 5pm**

Intermediate Level  
\$95, supplies not included.

Flower of the Sea was inspired by the amazing colors of the ocean and the spectacular sea anemones. This bracelet is a lovely representation of this inspiration, using seed beads & Swarovski pearls in various netting techniques you will absolutely love making & wearing this bracelet!
