Classes & Creativity!

Pendant Bracelet

Connie Whittaker brings us two original designs she's created just for this bead retreat! Take one or both and have a treasure or two as keepsakes of this magical weekend! Door County was settled by pioneers with Scandinavian roots. Connie's workshop designs are reminiscent of the art created by Norwegian & Swedish settlers, with a modern beady twist!

Rosemal Treasure Bracelet Saturday 9am-noon. \$35, supplies not included. Kits available.

This playful, yet elegant design is a perfect introduction to the new Zoliduo bead, plus Arco, firepolish, a little sparkly Swarovski and seed beads finish it off. You'll love making this bracelet! The scroll work and arches that appear in this design are nods to the folk art tradition of rosemalling.

Rosette Pendant Saturday 1-4pm. \$35, supplies not included. Kits available.

This gorgeous pendant is reminiscent of a rosette pattern found in many of the early painted designs of Scandinavian artisans. Discover the fun of working with Zoliduo & Arco beads, surrounding a focal Swarovski Rivoli as you create your own Rosette Pendant with Connie's guidance.
